## Letter from the Director

2019 proved to be a busy and productive year in the Department of Motor Vehicles. Each Division continued to look for and implement new ways to improve the service we provide our customers. Our team made valuable contributions to improving the lives of Nebraskans, daily seeking ways to improve efficiency and effectiveness of the services we deliver.

Our flagship project this year was the modernization of the Vehicle Titling and Registration system, replacing a "green screen" system in place since the early 1990s. The Driver and Vehicle Records Division, alongside our county partners and other stakeholders, put in an incredible amount of hard work to implement the new VicToRy system. The modernized system processes titles and registrations for over 2.5 million vehicles per year, and has been received extremely positive by our customers and stakeholders.

Reducing phone call wait times for our customers, the Financial Responsibility Division continues to demonstrate their commitment to providing outstanding customer service. Alongside this commitment, the team worked with our partner, Nebraska Interactive, to deliver a new SR-22 electronic filing mechanism. The new system will improve the already seamless reinstatement process for our customers.

The Motor Carrier Services Division continued their efforts to serve the motor carrier industry throughout Nebraska, pursuing continuous excellence in their processes. Among other projects, the team worked with the department's Process Improvement Coordinator to review the process by which International Fuel Tax Agreement (IFTA) decals are renewed and replaced.

The Driver Licensing Services Division continued the transformation of services in the Omaha metro area with the opening of a new express office in north Omaha. The new location will help those customers who do not require testing but are looking to renew or replace existing credentials. The division also introduced an online appointment system for customers to book a specific time for drive tests. This new option has proven very popular and almost eliminated wait times for this service in the Omaha and Lincoln areas.

The work of our four customer facing Divisions would not be possible without the support of our Legal, IT, and Administration teams, which in addition to supporting the work of the other Divisions have implemented a number of positive improvements of their own.

Lastly, I would like to note the important role played by our valued partners; state legislators, fellow state agencies, customers, county officials, and private partners. Their support was essential in ensuring the success of the department's program of work over the past year.

# EXCELLENCE IN LEADERSHIP

## Betty Johnson, Driver & Vehicle Records

Betty serves as Administrator of the Driver and Vehicle Records (DVR) Division. In addition to managing daily operations, the past several years Betty has been engaged in modernizing the Vehicle and Title Registration system as the Project Administrator and Business Process Expert. This is an enormous undertaking, with the system responsible for issuing titles and registrations for over 2.5 million motor vehicles and boats, along with collecting and distributing over \$710 million in revenue to local and state entities annually. The new system will utilize restructured technology and design standards to streamline business and enhance the customer experience.

She has worked collaboratively with 93 county treasurers, state agencies, federal partners, among others to ensure the project's success. She is a dedicated team member who works tirelessly to ensure her team delivers excellent customer service to all, be they colleagues at the county, state, or federal level or the hundreds of thousands of Nebraskans who use DVR services each year. Betty's expertise and success-focused approach has delivered the project on time and on budget.

## Peggy Havener, Driver Licensing Services

Peggy has been somewhat of an unsung hero in regards to opening two new Driver Licensing Examining Offices in Omaha, which in addition to processing applicants, the staff collects the fees and issues temporary documents. In order to accomplish opening the new offices, she had to drive to the Lincoln home office on an average of 2-3 times per week for over a year for meetings, close down three offices and relocate staff to two new offices. Among all that, she still had to manage her district, which has the most employees, and is the busiest in the state. She has worked many weeks in excess of 40 hours.

Although close to retirement, she is waiting until the last service center in her District opens up in April 2020. She cares about her staff and wants to do what she can for them and the DMV. Peggy is a core member of the DMV Team and we could not have accomplished what we did without her.

**2019 Statewide Combined Campaign**

The DMV holds a friendly competition every year to help earn extra money for the Combined Campaign. This year the theme was "The Great American DMV Shoot Out". We had some pretty good nerf target shooters! Thanks to all the brave teams for participating. Congrats to the top three teams, and better luck next year to everyone else who participated. The DMV raised nearly \$900 from our special events. Employees continue to enjoy the fun and friendly competition.

## CAMPAIGN AGAINST HUNGER

### Campaign Against Hunger

The DMV participated in the statewide Campaign Against Hunger to benefit the local Food Bank. Employees continue to prove each year their generosity to the people of Lincoln. The DMV not only donated food items to the Food Bank, but donated \$420. The State of Nebraska collected nearly 8,648 lbs of food and raised over \$32,743

### DMV Winter Drive

Each year during the holiday season DMV employees select a group in the community to donate items to. This year, our selection was the Lancaster Manor. They were contacted and we were given a specific list of wishes for individual residents and a general list of generic ideas for other residents. Some of the items we collected were, blouses, shirts, sweatshirts, sweatpants, calendars, watches, DVD's, electric razor, cardigans, necklaces, blankets, coloring books, activity books, boxes of chocolates, make up sets, assorted nail polish, gloves, socks, puzzles, and gift cards. The residents were very grateful for DMV's generosity.

Thank you DMV!!!

# NEBRASKA HOSTS INTERNATIONAL AAMVA CONFERENCE

The Nebraska DMV, for the first time ever, hosted the American Association of Motor Vehicle Administrators (AAMVA) Annual International Conference (AIC). Over 800 people attended the conference in Omaha, attracting visitors from as far away as Australia, India, and China. The conference is an opportunity to discuss the latest technology, policies, and ideas in the world of motor vehicle law enforcement and DMV's.

AAMVA AIC selects one charity for the conference fundraiser. The local Nebraska charity chosen was Clinic with a Heart. This Clinic provides free healthcare to those who need it the most. Nearly \$14,000 was raised.

# Training

---

Rachel O'Toole, DMV Attorney, provided training to law enforcement officers five times per year. The training focuses on procedures for stopping someone suspected of Driving Under the Influence (DUI), specifically Administrative License Revocations and completion of Sworn Reports. Sworn Reports are completed and issued to drivers suspected of a DUI. It revokes the person's current license and serves as a temporary license, allowing the individual to drive for a short period, before they apply for an Ignition Interlock Permit. Rachel delivers the training at the Sarpy - Douglas County Law Enforcement Academy, hosted at the La Vista Police Department, and the Nebraska Law Enforcement Training Center in Grand Island.

## 2019 Catastrophic Flooding

As another way to help those who have been victimized by the floods of 2019, the DMV joined other state agencies in supporting the #Nebraska Strong campaign.

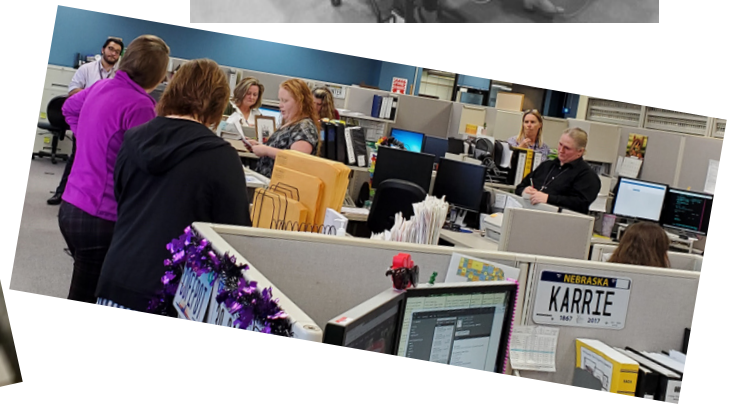

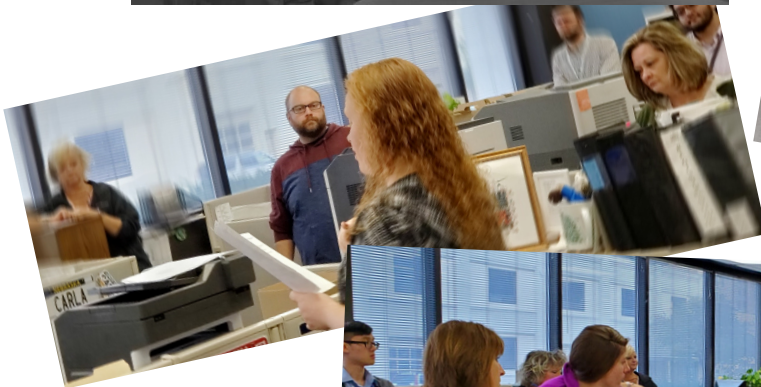

Several retail outlets were selling #Nebraska Strong T-shirts to make money for flood relief. Director Lahm authorized employees to wear jeans and a #Nebraska Strong T-shirt during the month of April.

The DMV employees showed their generosity to fellow Nebraskans by making a \$545.00 donation to Flood Relief. That buys a lot of bottles of water, jugs of bleach, and other needed items for those recovering from the floods. Way to go DMV!!!

## VictoRy

The implementation of the VicToRy system marks the beginning of the end of what has been an extraordinary amount of planning and hard work. This computer system plays a vital role in ensuring the smooth running of our state, both through serving our residents, and through the collection of nearly \$725 million per annum. The on-time implementation is an incredible accomplishment which could not have been achieved without our partners in state and county government, or our vendor, Fast Enterprises, plus everyone who opened their offices for tours, the countless hours everyone spent in meetings, and hours spent testing and training. A big THANK YOU to our incredible team members, managers and collaborators!

## director's office

The DMV is composed of seven divisions. We are a support services office for the Department of Motor Vehicles. Functions in the Director's Office provide overall assistance to the operations of all divisions within the Department of Motor Vehicles. ## driver licensing services

### OVERVIEW

The Driver Licensing Services Division ensures persons who meet Nebraska's licensing requirements are issued a permit, operator license or commercial driver license, and individuals who meet the identification requirements set forth in state statute are issued a State ID Card. It is our mission to have exceptional employees deliver accurate, secure, and innovative services.

## GOALS & ACCOMPLISHMENTS

- Reduce wait times at Driver Licensing Offices.
- Implement an online paperless application form and Appointment System in the Lincoln, Omaha and Bellevue offices for all driver licensing services and implement in 2020.
- Open a Driver Licensing Service Center in the West Omaha Area in 2020, which would include offering all driver licensing services with the exception of commercial skills tests. Driver Licensing staff at this service center will also accept payment for driver licensing fees and issue temporary documents.
- Continue work on a new Driver Licensing System containing photo capture, electronic knowledge and skills testing and document issuance for implementation in late 2020 or early 2021.
- Opened the North Omaha Driver Licensing Express Office in 2019. No written or skills tests will be administered at this location, but payment for driver licensing fees and issuance of temporary documents would be handled by driver licensing examiners at this location.
- Regional training for all driver licensing staff was held in September 2019. Training consisted of CDL knowledge and skills testing changes, customer service and fraudulent document recognition training.
- 3,139 individuals renewed their CDL or obtained a replacement CDL in 2019 using the online application.
- Staff processed 588,198 applicants in 96 driver licensing offices statewide. 96,748 individuals used the DMV online application to obtain new and replacement permits, licenses and state identification cards without the need to visit a driver licensing office.

- Compliance Officers audited 32 CDL Third Party Testers (companies) and observed 264 skills tests being administered by third party examiners (102 overtly and 162 covertly); 22 Driver Training Schools and 69 DMV approved Driver Safety Courses were audited.

- 1,028 applicants were re-examined to ensure they were capable of safely operating a motor vehicle. Of those applicants, 21% retained their license, and 79% had their license cancelled.

- Eight providers were certified by DMV to offer Motorcycle Safety Education Training, employing 76 certified instructors. A total of 1,592 applicants participated in motorcycle rider training courses. 1,333 individual successfully completed the training.

- Worked cooperatively with the Department of Correctional Services (DOC) to develop a process by which an inmate can acquire a state identification card or a replacement driver license prior to leaving the DOC facility. During 2019, 314 inmates received a document. This program will expand to other locations in 2020.

The Department sent out 237,598 driver license renewal notices.

## driver and vehicle records division OVERVIEW

Driver and Vehicle Records (DVR) oversees multiple programs including the statewide Vehicle Title and Registration System (VTR), the associated online services, and the motor vehicle functions performed by the county treasurers. VTR is used by all 93 counties for issuance of titles and registrations and collection of the fees and taxes due for over 2.4 million motor vehicles and boats. Over \$725 million was collected through VTR in 2019 which was distributed to over 1,200 local and state agencies. DVR is responsible for oversight and access to the database which maintains the records of 1.5 million licensed drivers and state ID card holders. The DVR Fraud Unit performs investigative work relating to vehicle title and registration fraud, driver license fraud, and odometer fraud.
